October 1, 2021 to October 1, 2022

opening doors for older adults

At **Concepts in Community Living, Inc.** our goal is to provide a benefit plan that is easy to understand so you can make the most of the benefits we provide. We want to be sure you are receiving the best service and care available. With that in mind, we offer this quick reference guide to understanding your benefits. Any required employee premium contributions are payroll-deducted on a pretax basis. Coverage becomes effective First of Month Following Sixty days for employees working 30 Hours per Week.

## Highlights

### Medical and Vision

Concepts in Community Living, Inc. offers a choice between **2 medical plans**. Choosing the right coverage involves sorting through a lot of information. Each of the plans we offer has a similar level of copays and deductibles, but utilize different networks of providers. Keep reading for a brief description of each plan.

**Kaiser HMO** – In-Network Only (Kaiser and The Portland Clinic), includes vision benefit.

**PacificSource VOYAGER Network** – This is the largest network and includes all major hospitals and clinics. Does NOT include Providence in the Portland metro area. Includes VSP vision.

### Dental

Dental coverage is provided through Willamette Dental and MetLife. If you choose Willamette Dental, you must stay in-network. MetLife dental allows coverage from any licensed dentist you wish but will have the highest level of coverage when you use an in-network provider.

### Account Administration

Concepts in Community Living funds a **Health Reimbursement Account (HRA)** for all employees enrolled in the medical plan. If you incur more than \$750 in deductible expenses, you will be eligible for reimbursement on the following \$1,000 in deductible expenses.

You may choose to set aside money on a pre-tax basis into a **Flexible Spending Account (FSA)** to pay for eligible medical, dental and vision expenses for you and your tax dependents.

### Life and AD&D

Life/Accidental Death & Dismemberment protects employees and their families from financial hardship in the event of death or dismemberment. Concepts in Community Living, Inc. provides Life and AD&D coverage through Cigna for all eligible employees.

### Life Assistance Program (LAP)

This is a prepaid benefit for you and your family. It is a resource for helping employees successfully manage work, personal, legal and life issues. The EAP provides confidential counseling and referral services that can help you, your household members, and dependents develop life management skills needed to enjoy life more fully.

### Open Enrollment!

You may elect additional Voluntary Life and AD&D with no medical underwriting, up to the Guarantee Issue level of \$200,000.

This summary was prepared for Concepts in Community Living, Inc. employees by USI Northwest

# GET MORE VALUE FROM YOUR PLANS

Here are a few key points to help you get the most value out of your benefit plans:

## Preventive Care is Covered 100%!

Visiting your doctor annually is a key part of staying healthy! Take advantage of the fact that our Medical plan covers 100% of scheduled annual physical exams and cancer screening tests related to the physical exam when you use an in-network provider.

## Telemedicine Saves Time and Money!

**PacificSource Members:** Your PacificSource Plan includes Teladoc for only \$5! Teladoc physicians are available 24/7 and ready to treat common medical conditions and even prescribe medication. While you would need to pay your regular copay for any medications, the cost of a Teladoc visit is still a significant cost – *and time* – savings compared to making a regular office visit!

**Kaiser Members:** With Kaiser, you can email your provider anytime! You can also schedule phone or video visits. With Kaiser's Telemedicine program you can manage your care anywhere!

## Use the Emergency Room ONLY for Emergencies!

Both PacificSource and Kaiser have Urgent Care locations with convenient evening and weekend hours. If you are unsure what the right option is for you, call the PacificSource advice nurse line toll free at **855-834-6150** or the Kaiser advice nurse line at **800-213-2000**.

## Flexible Spending Accounts (FSA)

Don't forget to take advantage of the Health Care Flexible Spending Account for those medical, dental or vision care expenses (copays, deductibles, etc.) that you pay for out-of-pocket. You can set aside up to **\$2,750** per plan year on a **before-tax basis** in order to reimburse yourself for eligible expenses.

## Extra Perks!

Your health and life insurance carriers offer a variety of wellness programs! Perks such as:

- Discounted gym memberships,
- Health coaching, classes,
- Community support, and
- Much more!

These programs help you on your journey to total health and many are available to you at low or no-cost.

## Cost Saving Tips: You're in Control!

### Choosing a Provider

### Pre-Treatment Estimate

If dental work is required, request a pretreatment estimate from your provider. Simply submit your treatment estimate to MetLife, then you and your dentist can review your costs before treatment.
